Dear Ms. Thomas:

Enclosed are amendments to Wisconsin's Temporary Assistance for Needy Families (TANF) block grant state plan. The plan has been updated to reflect clarifications made as a result of the Administration for Children and Families' review of Wisconsin's plan for FFY 2002 – 2003. One additional amendment removes a program that is no longer funded with TANF. You will note that we are resubmitting the text pages for the entire plan. This is not a new plan but, because of the extensive revisions and page renumbering necessary to update it, we felt it was easier to resubmit the text pages for the entire plan. A list of the changes in the plan is enclosed.

State statutes outlining the Wisconsin Works program and the other TANF programs, specifically Chapter 49 Public Assistance, are available on the State's internet site at <http://www.legis.state.wi.us/statutes/01Stat0049.pdf>.

We understand that following your review, you will notify the Department to indicate that you have received the TANF plan amendments and that the amendments have been incorporated into Wisconsin's complete TANF state plan.

Correspondence regarding these amendments should be sent directly to my office. Please contact Mary Rowin, Deputy Division Administrator, Division of Workforce Solutions, Department of Workforce Development, 201 E. Washington Avenue, P.O. 7972, Madison, WI 53707-7972, (608) 267-9022 with any questions related to this submittal.

We look forward to your response.

Sincerely,

Jennifer Reinert  
Secretary
